## SUMMARY

---

I am an applied microeconomist with a decade of experience conducting social science research in academic and public sector settings. I enjoy collaborating with multidisciplinary teams, working on a diverse portfolio of projects, and implementing causal inference research designs to inform program and policy improvements.

**Fields of Specialization:** Applied Microeconomics, Health, Labor, Public Policy

## EDUCATION

---

Ph.D., Economics, University of Southern California	2019–2024 (expected)
M.A., Economics, University of Southern California	2019–2021
B.S., Economics (with distinction), Tulane University	2011–2015

## PROFESSIONAL EXPERIENCE

---

<b>U.S. Department of Labor, Chief Evaluation Office</b> Summer Fellow (via Manhattan Strategy Group)	2023
<b>University of Southern California, Schaeffer Center for Health Policy &amp; Economics</b> Research Assistant for Bryan Tysinger, Director of Health Policy Microsimulation	2020–2023
<b>University of Southern California, Center for Economic &amp; Social Research</b> Research Assistant for Silvia H. Barcellos, Associate Professor	2022–2023
<b>Centers for Disease Control and Prevention, Division for Heart Disease and Stroke Prevention</b> Research Fellow (via ORISE), Applied Research and Evaluation Branch	2015–2019
<b>Centers for Disease Control and Prevention, Office on Smoking and Health</b> Research Fellow (via ORISE), Evaluation and Economics teams	2015–2019
<b>ICF International</b> Summer Intern, Public Health Division	2013
Summer Intern, Public Health Division	2012

## RESEARCH

---

### *In-Progress and Working Papers*

Distant Friends and Local Public Benefits: Social Spillovers from Out-of-State Medicaid Expansions — **JMP**

The Growing Rural-Urban Divide in Older Americans’ Healthy Life Expectancy (*with Elizabeth Currid-Halkett and Bryan Tysinger*) — **Under review**

The Great Migration’s Impact on Southern Labor Markets (*with Yi-Ju Hung*)

Hidden Hypertension and the Labor Force Participation of Older Americans

Does Cognitive Functioning Predict Infectious Disease Risk? Evidence from a Panel of Older Americans Early in the COVID-19 Pandemic (*with Sivia Barcellos and Margaret Gatz*)

## PRESENTATIONS, MEDIA, AND OTHER PUBLICATIONS

---

### Conferences and Invited Presentations: (\* = coauthor, † = poster)

- 2023: California State University–Long Beach Economics Seminar, USC Applied Microeconomics Seminar, ACAP Social Determinants of Health Learning Collaborative
- 2022: Aging Society Research Network Annual Meeting
- 2021: International Microsimulation Association World Congress (2)
- 2020: Academy Health Annual Research Meeting\*, Aging Society Research Network Annual Meeting\*
- 2019: American Public Health Association\*, Annual Conference on the Science of Dissemination and Implementation in Health\*, Society for Applied Anthropology Annual Meeting\*, Society for Prevention Research Annual Meeting†
- 2018: CDC Evaluation Day
- 2017: Academy Health Annual Research Meeting†, Annual Conference on the Science of Dissemination and Implementation in Health\*†, Art & Science of Health Promotion Conference\*
- 2016: QCOR\*†

### Media:

- Podcasts: A Health Podyyssey (September 2023)

### Reports: (\* = coauthored)

- “Economic Evaluation: Intervention Cost Analysis in Public Health” (2018) Centers for Disease Control and Prevention, Atlanta, GA.
- “Best Practices for Cardiovascular Disease Prevention Programs: A Guide to Effective Health Care System Interventions and Community Programs Linked to Clinical Services” (2017) Centers for Disease Control and Prevention, Atlanta, GA.\*
- “What Could Be Addressed in an Evidence-Informed State Workplace Health Promotion Law?” (2017) Centers for Disease Control and Prevention, Atlanta, GA.\*

- “The Shands Jacksonville Patient-Centered Medical Home Diabetes and Hypertension Self-Management Education Model: Program Costs Summary” (2016) Centers for Disease Control and Prevention, Atlanta, GA.
- “From Policy to Implementation: Collaborative Drug Therapy Management in an Independent Pharmacy” (2016) Centers for Disease Control and Prevention, Atlanta, GA.
- “Science-in-Brief synopsis of *Do State Community Health Worker Laws Align with Best Available Evidence?*” (2016) Centers for Disease Control and Prevention, Atlanta, GA.

## HONORS & AWARDS

---

University of Southern California	PhD Academy Scholarship and Research Fund small grant; Dornsife/graduate school fellowship (2 years)
Centers for Disease Control	CDC/ATSDR Honor Award for Excellence in Program or Policy Evaluation (nominated with coauthors)
Tulane University	Cum Laude; Dean’s List; annual merit-based scholarship

## PROFESSIONAL ACTIVITIES

---

<b>Teaching:</b>	CDC DHDSP 2019 Grantee Workshop, CDC DHDSP Evaluation Coffee Break Webinars, CDC DHDSP 5-Part Webcast on the Basics of Economic Evaluation, Polygence Tutoring
<b>Referee Service:</b>	<i>Public Health Nutrition</i> , <i>INQUIRY: The Journal of Health Care Organization, Provision, and Financing</i>
<b>Affiliations:</b>	American Society of Health Economists, American Economic Association

## SKILLS

---

<b>Software:</b>	Stata, ArcGIS, Matlab, NVivo, Microsoft Office suite (Word, Excel, Powerpoint)
<b>Programming:</b>	Stata, Python, LaTeX, Linux, SQL
<b>Graduate coursework:</b>	Applied Econometrics for Program & Policy Evaluation, Big Data Econometrics, Health Economics, Empirical Analysis of Economic Development, Urban Economics, Industrial Organization, Microeconomics, Macroeconomics, Econometrics, Probability & Statistics, Political Economy (audit), Labor Economics (audit)
